Pondicherry-605 006.

Sponsored by:

People for the Ethical Treatment of
Animals (PETA) India
PO Box 28260, Juhu, Mumbai 400 049

Invitation	Speakers	Programme
<p>In 2009, the Medical Council of India (MCI) officially amended its Bachelor of Medicine and Bachelor of Surgery (MBBS) regulations to state that "experimental work on animals can be demonstrated by Computer Aided Education".</p> <p>MCI's new policy allows Indian medical schools to completely eliminate animal use in MBBS curricula, as has been done in 95 percent of programs in the U.S., and in every program across Canada and the U.K. These institutions instead use didactic methods, human patient simulators, supervised clinical practice and interactive computer aided learning simulations.</p> <p>To familiarize MBBS programs with these MCI-approved non-animal training methods, this free CME will feature lectures and simulation demonstrations from international medical experts.</p> <p>On behalf of the organizing committee, and with thanks to JIPMER for hosting this event, we extend a warm welcome and invite you to attend this CME to modernize your MBBS curricula.</p> <p>With regards & best wishes,</p>	<p style="text-align: center;">Prof. Mohammad Akbarsha, Ph.D. Director and Chair Mahatma Gandhi-Doerenkamp Center for Alternatives to Use of Animals in Life Science Education Bharathidasan University Tiruchirappalli, India.</p> <p style="text-align: center;">Dr. R. Raveendran Professor of Pharmacology Department of Pharmacology JIPMER Pondicherry, India.</p> <p style="text-align: center;">Prof. David Dewhurst, Ph.D. Professor of e-learning Jeanne Marchig Prof. Fellow of Replacement Alternatives in Higher Ed. Director of Educational Information Services College of Medicine & Veterinary Medicine University of Edinburgh Edinburgh, U.K.</p> <p style="text-align: center;">Dr. John Pawlowski, M.D., Ph.D. Assistant Professor Harvard Medical School Director of Thoracic Anesthesia Beth Israel Deaconess Medical Center Boston, MA, U.S.A.</p>	<p>09.00-10.00 Registration</p> <p>10.00-10.15 Inauguration</p> <p>10.15-11.45 Need to Use Animal Alternatives in Anatomy, Physio. & Pharm. <i>(Prof. M. Akbarsha)</i></p> <p>11.45-12.00 Tea</p> <p>12.00-12.45 Alternatives to Animals in MBBS Teaching: The JIPMER Experience <i>(Dr. R. Raveendran)</i></p> <p>12:45-1:45 Lunch</p> <p>1.45-3.15 Computer Assisted Learning: Interactive Demonstration <i>(Prof. D. Dewhurst)</i></p> <p>3:15-3:30 Tea</p> <p>3.30-5.00 Human Patient Simulation: Interactive Demonstration <i>(Dr. J. Pawlowski)</i></p> <p>5.00-5.15 Tea</p> <p>5.15-5.45 Panel Discussion <i>(Prof. M. Akbarsha)</i> <i>(Dr. R. Raveendran)</i> <i>(Prof. D. Dewhurst)</i> <i>(Dr. J. Pawlowski)</i></p> <p>5.45-5.50 Valedictory</p>
<p>Organizing Secretaries</p> <p>Dr. Chaitanya Koduri PETA, India.</p> <p>Dr. Santosh Kumar Professor & Head Department of Medical Education JIPMER.</p>	<p>Jt. Organizing Secretary</p> <p>Mr.Z. Zayapragassarazan Asst. Professor of Educational Technology Department of Medical Education JIPMER.</p>
