

Terms & Conditions

*JIPMER SUPPLY-NOT FOR SALE should be printed/inscribed on all units as well as packages.

*DOOR DELIVERY of the items, ie., delivery at the Central Stores is must.

*Samples of all quoted items must be sent to the Officer in-charge, Central Stores, JIPMER , Puducherry-6 separately. Quotations for items for which no sample is received will be rejected.

*All samples should be properly labeled and listed. At least five units must be submitted as samples for each item.

*Samples must be submitted on or before the last date for submission of the tender.

*Items for which DGS & D rate contracts are available will preferably be ordered directly to the R/C firms subject to the condition that the R/C firms have to supply the items @ DGS&D rate directly to the institute and claim payment from our institute's fund. No online DGS&D orders would be placed.

*Selected companies should supply the items in conformance with samples and specifications within the stipulated period with clear details in the packing such as quantity, date of manufacture, expiry date and batch nos. if any. Request for extension period will not be granted.

*Supplied items should have a minimum shelf life of two years (or) 50% of shelf life which ever is longer from the date of supply.

*Items having ISI/ISO similar certification or equivalent are likely to get preference.

*Samples of non consumable items like surgical instruments if not selected should be collected by the concerned firm within 12 months from the date of opening of tender. No claim shall be entertained after this period.

*Samples for all other consumable/disposable items will not be returned once received.
